

Nepal Red Cross Society

Situation Report : "COVID-19" Preparedness and Response

#98

6/8/2020

As of 6th June 2020, the global death is 392802(5647new deaths) with 6663304(127950new cases) being infected and more than 20,00000 recovered from COVID-19 pandemic.

Ministry of Health and Population confirmed 314 new people tested positive for COVID-19, as the total number reached to 3762.

Health Emergency Operation Centre (HEOC), is leading the response with the support of UN agencies and many other organizations. Nepal Red Cross Society (NRCS) is also the part of it, with the support of movement partners and government agencies at all levels NRCS is responding to the current situation. NRCS emergency operation Centre (EOC) was activated on 6th of February 2020 and 98 SITREPS released with the activities held in 77 District chapters of Red Cross.

NRCS is responding to this pandemic by distributing the Personal Protective equipments, supporting to quarantine management, non food items distribution, installation of handwashing points at different places, generating awareness through different channels, orienting the volunteers and ambulance drivers on infection control, distributing the food rations to the most vulnerable households, helping to restore the contact with a family member at quarantine of different districts.
